User story

As a User, I want To Login so that I can View the stocks diff Table..

Acceptance criteria:
- table shown after login

Out of scope:
- password reset
- user creation

User story

As a SuperUser, I want to Toggle the color scheme so that the Table is prettier :).

Acceptance criteria:
- table color changed

Out of scope:
- custom color choice

User story

As a User, I want to export the table as PDF so that I have it downloaded.

Acceptance criteria:
- PDF downloaded
- PDF table is the same as the table on the page

Out of scope:
- exporting historical table data

User story

As a User, I want to view up to date data so that I can make the right decisions.

Acceptance criteria:
- the data is updated every hour

User story

As Admin, I want to create new Users so that they can login and use the App.

Acceptance criteria:
- a new user is created
- admin can set a specific role to the new user
- the new user can log in

User story

As an Admin, I want to Delete a User so that they cannot login and view the table.

Acceptance criteria:
- User is deleted
- User cannot login

Out of scope:
- User account restoration

User story

As an Admin, I want to Update the role of a user so that They can have more permissions.

Acceptance criteria:
- user role is updated

Out of scope:
- Admin removing the Admin role of another user

notes:
admin - ina color palette ako user/superuser
nie je tu mentioned ze old records sa deletuju
admin moze menit heslo, login nemoze menit
jeden hardcoded super admin, len on moze spravovat ostatnych adminov
